LOAN CALCULATOR

WITH
TKINTER
LIBRARY

A screenshot of a Tkinter window titled "Loan Calculator". The window has a standard macOS-style title bar with a feather icon, a minus button, a maximize button, and a close button. The main content area is light gray and contains five labels on the left: "Annual Interest Rate", "Number of Years", "Loan Amount", "Monthly Payment", and "Total Payment". Each label is followed by a white text input field. The "Loan Amount" field is currently empty, while the others contain placeholder text. A "Compute Payment" button is located at the bottom right of the window.
